Named for the late James Ray Kuykendall, AHA past president, and founding president of Landmarks of DeKalb County, this award honors a local historical society in Alabama for outstanding achievements and for significant contributions to a greater appreciation of community and state history. The award is given in odd-numbered years. Any historical society is eligible to apply, provided it has not received the award in the last ten years. The next award will be given at the annual award banquet on April 9, 2027, in Montgomery.
